

A festive background featuring numerous red balloons of various sizes, some with streamers, and scattered red confetti. The scene is set against a light blue and white background with a subtle architectural pattern.

**RED HOUSE DAY
CELEBRATION**

8TH JULY 2022

Red House day was celebrated in our school on 8th July 2022 in honour of the feast of our patron saint St. Maria Goretti. On account of this day, Prayer service and morning assembly was conducted by Red house teachers and students on the theme “Purity is true Beauty” and then followed by short life story of St. Maria Goretti and importance of Red colour. Bulletin boards displayed red craft work and moral values inherited by St. Maria Goretti. Students also participated in games and activities conducted by Red house teachers. It was indeed a scintillating day with Red house students and teachers reflecting brightness, joy, love and happiness.
