

10. Diwali
Celebration
By Green
House

The background of the slide is a festive scene. At the top, there are several strands of yellow and orange garlands hanging in a scalloped pattern. Below the garlands, there are five vertical light tubes in different colors: blue, green, purple, yellow, and blue. The background is a dark red color with a subtle pattern.

The school celebrated Diwali with festive gusto. The day started with a special assembly. The significance of the festival and relevance of eco-friendly celebrations were prominently highlighted. The school hustled and bustled with various activities planned for the day. On this occasion the Inter house Rangoli making competition for the students of Std 8th -10th Students was organised.

The school wore a festive look with decorated diyas, lanterns adorning the corridors. The different hues of the rangoli colours had its own charm.
