

# CHRISTMAS CELEBRATION

22<sup>ND</sup> DECEMBER 2022

It was a day of fun and enjoyment for the students of St. Aloysius English High School as it was the last day before the school closed down for the Christmas holidays. The Red House and Blue House teachers and students were in charge for the day.

The students came to school at their regular time. By 8.00 am the students assembled on the school ground for the programme. The celebration for the day started with a prayer service followed by the Christmas tableau. The students of 9th and 10th along with their teachers put up the Christmas play that was accompanied by our musical choir with Christmas carols. The Christmas dance by students of class 10th added to the Christmas spirit. The programme ended with a message from the Principal Rev. Sr. Sujata. The students were given sweets and dispersed for the day at 10.00 am.

The management and staff assembled in the school hall for a Christmas party. Mrs. Sujal Rebello and Mrs. Diana Menezes hosted the gathering. The programme started with a short prayer followed by Christmas carols sung by teachers and sisters. Teachers enjoyed the games and refreshments and then exchanged gifts. The teachers dispersed by 12.00 pm.
