

8th March

Happy,

*Women's
Day*

Charm is deceitful and beauty is vain, but a woman who fears the Lord is to be praised.[Proverbs 31:30]

8th March International Women's day.

The Aloysians celebrated Women's day with a special assembly that was put up by class VIIth A. The assembly was beautifully presented with special prayers and intentions for various challenges faced by women in different phases of their lives. Our prefects presented themselves in various famous Indian women personalities that emphasised their achievements in different fields. The class representatives then gifted cards to their respective class teachers and wished their teachers. The assembly concluded with the national anthem and the regular classes progressed for the day.
